Police Gazette Horoscope for September

Capricorn (the goat) Dec 22-Jan 19

An old Sinatra tune holds the answer to your recent dilemma, so listen and THINK. Marty and "that woman" both know your weak areas, so never ever let them within reach unless you are properly armed or they are properly secured.

Aquarius (the water bearer) Jan 20-Feb 18

Your sense of smell has been strengthened with your new-found release, so keep far from dumpsters and shallow graves. Someone called "Sal" has an artifact that you shouldn't take lightly.

Pisces (the fish) Feb 19-Mar 20

September rain brings strong memories and many delusions. Think twice before signing any contracts, and keep a strong "pimp hand" just in case....

Aries (the ram) Mar 21-Apr 19

A good idea goes a long way this month and a strong arm knows no foes. A trip to the mall is in your future, so look stable and forgiving if you expect to take the lead.

Taurus (the bull) Apr 20-May 20

A bushy mustache and bad breath are two things you should not avoid this month. Three former colleagues have been thinking of you and the secret, so keep alert and keep alive.

Gemini (the twins) May 21-Jun 21

Loose lips sink... bank accounts? Stay sober on the second Saturday and listen closely to any overheard singing or private conversations. Picking flowers in the park can excite you in ways you never dreamed.

Cancer (the crab) Jun 22-Jul 22

Dig deeper and discover what you have forgotten on the 15th. A new neighbor brings a new challenge, so don't be afraid to be a little nosy.

Leo (the lion) Jul 23-Aug 22

Busy is as busy does! Stay far from Thai cuisine and women with double first names on the 14th or you could very well begin another "tour" of some places you still dream about. Don't be afraid to make a few house calls and do a little gambling this month.

Virgo (the virgin) Aug 23-Sep 22

Apples and peanuts signal a new opportunity, so ignore them at your own peril. "V" and "L" have an interesting offer if you care to sit still long enough to listen.

Libra (the scales) Sep 23-Oct 22

Low hanging fruit is ripe for the taking! Never say no and you will sail with the breeze. An old classmate brings good fortune.

Scorpio (the scorpion) Oct 23-Nov 21

A dream that occurs twice is a sign to take action! A coworker or cellmate has been a LITTLE too lazy, so it's time to prove that you are the one for the job. Nice floral patterns suit you best this month, so look fresh!

Sagittarius (the archer) Nov 22-Dec 21

Easy money is as simple as you want it to be this month. Stay sharp around bald men and women with accents, and you will do well.
